-----------------------	--	--------------------	---	---	---

VERTICAL ROOF RECOMMENDED FOR ALL BUILDINGS OVER 36' LONG

The Regular style carport has rounded corners with horizontal roof panels and is considered the most basic and economical design.

The Boxed Eave style carport has an "A-frame" design with horizontal roof panels and includes 4"-6" of overhang on all four sides. The roof is trimmed on all four sides as well. An upgrade from the Regular style carport.

The Vertical style carport has an A-frame design with vertically running ribs that direct rain and snow off the building more quickly. The roof panels are trimmed for a clean, finished look and include a 4"-6" overhang on all four sides. With an enhanced appearance, increased strength, reduced maintenance needs and an extended service life, the Vertical style is the superior option for your carport.

GARAGES

FULLY ENCLOSED BUILDINGS

Our fully enclosed buildings range from 12' to 40' wide and are made from the finest materials. We can customize to fit your exact needs with a range of sizes, shapes and colors. Additional options are also available, including garage doors, windows and more (as seen on page 12). These enclosed buildings are perfect to use as a workshop or to store your possessions out of the elements. | Price includes: 1-9x8 garage door on 12' & 18' wides & 2-9x8 garage doors on 20', 22' & 24' wides. Additional options are not included in base price. NOTE: Frame is 1ft shorter than roof, lengthwise.

*BUILDINGS OVER 36' LONG REQUIRE A SIGNED ROOF WAIVER AT TIME OF ORDER.

RENT TO OWN

NO CREDIT CHECK

BARNES

BARN BUILDINGS

Our barn styles are designed by combining three sections to make up to 54' wide units. Our lean tos are available up to 12' wide. These barns are perfect for livestock, to store feed, tack and hay and to protect farm equipment from the elements. Horizontal and Vertical roof styles available on Apex and Pinnacle Barns. | Base price also includes top and gables as shown. NOTE: Frame is 1ft shorter than roof, lengthwise.

*BUILDINGS OVER 36' LONG REQUIRE A SIGNED ROOF WAIVER AT TIME OF ORDER.

RV COVERS

12' - 30'

Our RV Covers are perfect for storing RVs, Pontoon Boats and Livestock Trailers. These units are also tall enough to add lean to the sides for additional equipment. These units are available in any length and we offer side heights up to 16'. RV Covers are available as a cover only or fully enclosed and our RV Covers offers extra height for equipment and vehicles that won't fit under normal size carports and garages. Base Price includes: top, 2-side panels, and 1 extended gable in the back. Note: Frame is 1 ft shorter than roof, lengthwise.

*BUILDINGS OVER 36' LONG REQUIRE A SIGNED ROOF WAIVER AT TIME OF ORDER.

RENT TO OWN

NO CREDIT CHECK

CARPORT

WITH STORAGE UNIT

Our Storage combo units offer the flexibility of both storing a vehicle underneath and keeping equipment completely covered and out of the elements. Why choose one when you can have both. Our storage units offer customization and affordability to meet your individual needs. Our package price includes 1 - 6x6 roll up door with a side header, 1 - walk in door, 2 - windows and 1 gable with either a 5' or 10' deep area closed in. Additional options are available. Note: Frame is 1 ft shorter than roof, lengthwise.

BOWS

FACTS

- We are not responsible for leaks under base rails.
- Interior walls extend up to but not around overhead trusses. Certain styles will have a visible gap up to 2.5" at top between trusses.
- Price includes basic labor. See your local authorized dealer for details.
- Buildings up to 12' tall require 2' level and clear working space around the perimeter of building. Buildings 13' or taller require 4' level and clear working space around perimeter of building.

LAND/CONCRETE MUST BE LEVEL

- We recommend concrete be 1 foot shorter than building roof length.
- Concrete must be level and square, corner to corner.
- Return trip fees will be applied if building cannot be installed.
- See dealer for possible labor charges.

CERTIFIED BUILDINGS

You may be interested in a certified building if you are in an area or municipality that requires you to have a high wind load, heavier snow load or engineering drawings.

Certified buildings offer premier design and the highest quality. We offer certified carports, garages & barns. Engineer stamped drawings are available for customers who purchase this premium structure. Our certified buildings can be built to withstand 90 to 130 MPH winds and 20 to 30 PSF ground snow loads. Certification may vary depending on county or state regulations. Customers must supply wind and snow load requirements to MaxSteel Buildings.

LIFTS ARE REQUIRED FOR:

All buildings 15' or 16' tall | All buildings 32' and wider | All buildings 26' or wider **AND** 13' or taller
Any Building with side headers **AND** 13' or taller

The customer is responsible for providing all lifts and must have it onsite upon the installers arrival. All lifts must be approved by MaxSteel Buildings, LLC and/or the installer. For questions regarding lifts, please call **(615) 956-7272**.

WARRANTY

- **90 DAY WORKMANSHIP WARRANTY** on all buildings, effective day of installation.
- **20 YEAR LIMITED WARRANTY** on rust through of metal panels and steel tubing assuming normal user care & maintenance.

UPGRADE TO PREMIUM 40 YEAR METAL

- **40 YEAR LIMITED WARRANTY** on rust through of metal panels and 20 year limited warranty on rust through of steel tubing assuming normal user care and maintenance.

RENT TO OWN

NO CREDIT CHECK

- 36, 48 or 60 month payment option
- Easy process
- Low security deposit
- Low monthly payments

WEBSITE CONFIGURATOR: For estimate only. See local authorized dealer for exact pricing & details.

LOW PRICE GUARANTEE

ON ANY BUILDING OF EQUAL QUALITY

We'll match any competitor's quoted price for same quality building. Competitor's building must have identical materials as MaxSteel Buildings. See dealer for details. *At participating dealers.
